# Meet the Clubs

## Castlegar

Castlegar Camogie club was founded in 1955. In 1957 we won our first County Senior title and this was followed by further victories in 1958, 59, 60 and 61. This five in a row of County titles was a marvellous achievement and this successful period in the club's history also coincided with the Galway senior camogie team contesting two All-Ireland Finals. Though both games resulted in defeats to Dublin in 1960 and 1962, the strength of the Castlegar team at that time was reflected by six members being included on the 1960 team and seven on the 1962 team. Following that very successful period, Castlegar was a strong competitive camogie club in all competitions, winning an Údarás Na Gaeltachta title in 1981.

Cashel achieved further club success when the Intermediates won the County Title in 1999, and again in 2005. A more recent major success was in 2012 when Castlegar defeated Portumna in the County Final and went on to be crowned All Ireland Intermediate Club champions, defeating Kilkenny club, The Rower Inistioge in March 2003.

Castlegar Camogie Club have excellent facilities and support at Castlegar GAA including an indoor arena. Those facilities along with committed coaches over the decades play a huge part in the girl's enjoyment of camogie. We would like to wish our girls the very best of luck today.

## Killimor

Killimor Camogie was founded in 1990. Down through the years we have won county titles at all age groups with Minor A Championships, Junior A County and Connacht title won in 2002 and followed with Intermediate County and Connacht finals in 2003. Our first ever Senior County title was won in and went on to win the Senior All Ireland Club final in Croke Park. County Senior Club Champions 2010, 2011, 2013 and 2015. All Ireland Senior Club champions, runners up 2012 and 2015.

We would like to wish our Intermediate Ladies and Management the very best of luck today in the County Semi Final.

# Meet the Clubs

## Salthill Knocknacara

**Salthill Knocknacarra Camogie was founded in 1979 and has grown into a large city club with a strong underage structure. Salthill Knocknacarra GAA club has adopted a "One Club-Four Codes" ethos reflecting the role and values of our club within the community. Today we have large numbers playing from nursery up to adult level. In 2020 we fielded two adult camogie teams for the first time. Our players have represented Galway at various levels, including on U14, U16, Minor and Intermediate teams and on underage development squads.**

**Over the years we have won Junior A County Championship (2020), Junior A League (1987, 2010 & 2019), Junior B County and Connacht Championships (2000 & 2017), Junior League 12 a-side (2011) and Minor B Championship (1998 & 2018), as well as many underage County Championships and City League titles. In 2021, our first time playing at Intermediate level in our club's history, we won the County League and reached the County Championship final. We won the Intermediate Connacht title in 2021 and played in the 2021 AIB Intermediate All-Ireland Club Final in Croke Park in March 2022.**

## Shamrocks

**Shamrock's Camogie club was founded in 1993. The club encompasses the parishes of Loughrea, Kilnadeema and Leitrim. The club started off with both juvenile and adult teams and Shamrocks had its first success when winning the county Junior A and Connacht titles in the year of its formation.**

**Since then the club has gone from strength to strength, we now field two teams at all underage levels up to U16. We have enjoyed significant success at underage level over the last few years and are now competing at the highest level across a number of our underage teams. In 2017 we won the Junior A County final and now play at Intermediate level.**

**The club has had representation over the years on the county scene and continues to have that representation with several players involved across the age groups again this year.**

**We wish our Intermediate team and Management the best of luck in today's county semifinal.**
